TRANSCENDING: WOOD, RECEPTIVELY GROWING WITHIN A LAKE OF JOY

When I am wind and trees growing and lowing in the wind and water pooling;

Then I am clean and joyful nourishment soaking into a receptive tree that is guarding against its own destruction.

Inside, I am deciphering and filtering the wisdom of heaven's leading impulse (employing the ordinary actions of leaving the times, guarding my self, and setting up independently in order to produce results that are greater than the ordinary when the world wrongs me, does not see me, or fails to recognize my virtues); and

Outside, I am letting out and reining in earth's heavenly yield (improving my employment of inclinations in the moment by never exceeding the principle of making direct connections between related people and things, by recognizing when I am exceeding that which is fitting for the particular moment; and by searching for, and extending myself only to, that which is proper).
